Production Lines

Production lines

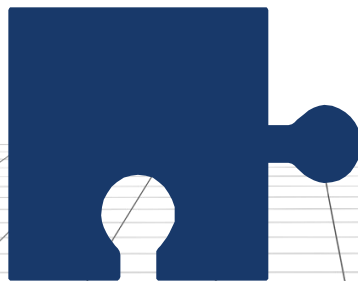

High quality machinery equipment comes from refined component; and refined component comes from advanced production facilities and rigorous production attitude in T & X Enterprise. Through decades years developing, T & X machinery has formed five production lines:

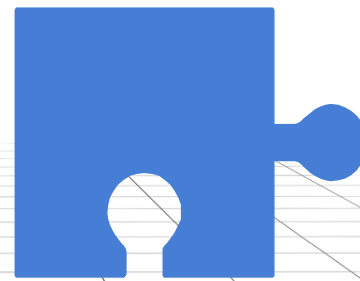

Lost Wax Casting

Investment Casting

Forging

CNC Machining

Carbide Brazing

Lost Wax Casting Line

Area: 10000m²

Employee: 150 people

Output: Annual 5500 tons

Equipments

Melting furnaces with 250kgs capacity
Automatic sandblast equipments
Wax injection machines

Investment Casting Line

Area: 10000 m²

Employee: 60 people

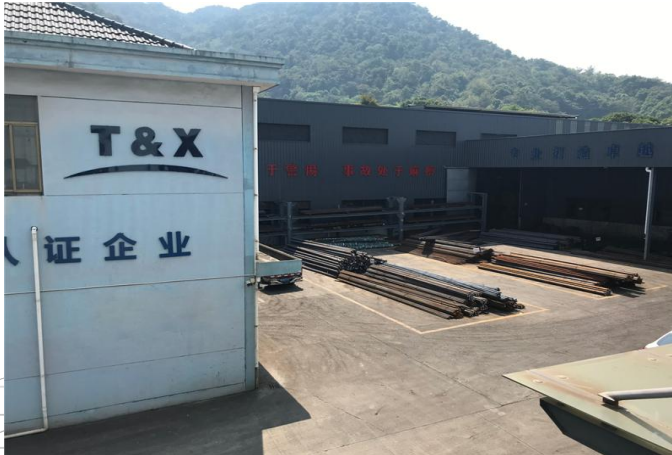

Equipments

Wax injection machines
Sand dipping machines
Wax remove machines

Forging Line

Area: 5000 m²

Employee: 47 people

Equipments

Material cutting machines

Friction press machines from 630 tons
to 1000 tons.

CNC Machining Line

Area: 2500 m²

Employee: 38 people

Equipments

CNC milling machines

CNC drilling machines

CNC machining machines

Four-axis machining centers

Carbide Brazing Line

Area: 50 m²

Employee: 6 people

Equipments

6 sets of advanced
radio-frequency welding equipments

Certificate

SYIC CERTIFICATION

MANAGEMENT SYSTEM CERTIFICATION

This is to certify that
The **QUALITY MANAGEMENT SYSTEM** of

Ningbo T & X Machinery Co., Ltd.

Organization Code: 91330212074945648B

Registered Address: Yuantu Village, Yunlong Town, Yinzhou District, Ningbo City, Zhejiang Province

Business Address: Workshop on the Southeast Side of No.1 Mingfeng Road, Yunlong Town, Yinzhou District, Ningbo City, Zhejiang Province

has been assessed by SYIC Certification and found to comply with

GB/T19001-2016 / ISO9001:2015

for the scope of activities

Processing of Mechanical Parts and Automotive Components

Certificate No: R306Q16054
First Registration Date: Apr 12, 2024
Date of Issue: Apr 12, 2024
Certificate expiry date: Apr 11, 2027

ISSUED:

The certificated organization must be regularly monitored and audited according to the provisions of the certification service contract, and this certificate will continue to be valid after passing the audit.
Login www.shen1.net or scan the QR code to check the certificate is valid or not. The certificate information is also available on the CNCA official website: <http://www.cnca.gov.cn>.

Shenyi Inspection & Certification Co.,Ltd.

Address: Building 4-1, No.650, Shunqing Road, Jiuting Town, Songjiang District, Shanghai Post Code:201612
